

Goodbye.

Leaving the UK means waving goodbye to Tory governments we didn't vote for.
With a **Yes**, we'll keep the £ and ditch the Tories.

One of the big gains of **Yes** is that we will never again have governments the vast majority of us rejected.

Yes means no more Tory governments we didn't vote for.

That's a big step forward for our nation.

Yes also means no more Tory policies we oppose – not just for one election, but for ever.

So, no more poll taxes or bedroom taxes. No more wasting £600 million on things like nuclear weapons and paying the salaries of politicians at Westminster. Instead we can invest in better childcare, creating jobs and decent pensions.

It means Scotland's future is in Scotland's hands. That's something worth saying **Yes** to.

This September you can choose a better path for Scotland, with a **Yes** for independence.
